ABOUT SCHBA

The Simcoe County Home Builders' Association (SCHBA) has been the proud voice of excellence in Simcoe County's home-building community since 1953.

We represent builders, developers, renovators, trade contractors, suppliers, and manufacturers, advocating for a strong and thriving residential construction industry.

Our mission is to create competitive advantage for our members and promote affordability, quality, and choice for consumers by:

- Advocating for effective regulatory change and sound municipal policies
- Delivering professional education and recognition programs
- Providing business development forums
- Amplifying our collective voice with stakeholders

WHY JOIN SCHBA?

As a SCHBA member, you gain exclusive access to powerful advocacy, industry insights, networking opportunities, and business development resources.

Whether you're a builder, developer, renovator, trade contractor, supplier, or manufacturer, a SCHBA membership helps you grow your business and stay ahead in the home-building industry.

MEMBERSHIP BENEFITS

POLITICAL ADVOCACY & INDUSTRY INFLUENCE

There is strength in numbers. SCHBA members have worked together to promote the interests of the home-building community with municipal, provincial, and national decision-makers to create a business-friendly environment.
