1ST ANNUAL NINE AND WINE

In June, we proudly launched our first official event. Thanks to the generous support of our sponsors and a little cooperation from Mother Nature, we successfully hosted our inaugural Ladies' Nine & Wine tournament. The event raised funds in support of Georgian College's Women in Trades programs for the 2026-2027 academic year, helping to empower and inspire the next generation of skilled tradeswomen. Thank you to the 40 ladies who braved the weather that day.

THANK YOU TO OUR SPONSORS
